Professional Summary

Dedicated, practical Healthcare Assistant with over 3 years of hands-on experience in the UK care sector. Experienced in handling both day-to-day personal care and senior-level responsibilities, including accurate medication administration (MAR), mobility assistance with mechanical hoists, and comprehensive care documentation. Combines a background in science and business management to keep shifts organized, stay calm in demanding environments, and communicate warmly with residents, family members, nurses, and supervisors.

Core Skills

Clinical & Medication: Medication administration (MAR charts), First Aid & CPR, routine observations, specimen collection, infection prevention & control.
Personal Care: Daily living assistance, emotional support, dementia care, mental well-being support, privacy, dignity & safeguarding.
Mobility & Safety: Safe patient handling, mechanical hoist operation (standing & full-body), wheelchair transfers, fall prevention, fire drills.
Professional Duties: Care planning, daily shift handover reporting, incident documentation, multidisciplinary collaboration, family liaison.

Work Experience

Heathfield Residential and Nursing Home — Ashford, UK

Healthcare Assistant (Working at Senior Level) — Aug. 2025 – Present

- Manage complex care plans and support daily care workflows, coordinating directly with registered nurses and supervisors.
- Administer prescribed medications safely and record dosages accurately on MAR charts, adhering to medication protocols.
- Monitor residents' physical and mental well-being, promptly identifying and reporting any condition changes to nursing staff.
- Provide patient personal care (washing, dressing, grooming) with full respect for personal dignity and privacy.
- Operate mechanical hoists and wheelchair aids safely, following strict manual handling guidelines.
- Offer steady emotional support to residents and keep families updated, answering questions with warmth and clarity.
- Follow health & safety and infection control procedures rigorously across every shift.

Metropolitan Care Service Limited — London, UK

Healthcare Assistant — Feb. 2023 – Aug. 2025

- Cared for residents and supported their daily living needs with dignity, patience, and compassion.
- Administered scheduled medications accurately and maintained clean, auditable MAR records.
- Supported residents with mobility and personal care routines tailored to individual care requirements.
- Kept a close check on resident well-being and reported any changes in physical or cognitive state to senior staff.
- Participated regularly in fire drills and followed established emergency safety procedures.

Bangladeshi Students' Association UK (BSA UK) — United Kingdom

Volunteer Coordinator — 2024 – Present

- Recruit, train, and coordinate volunteer rosters to support student welfare and community orientation programs.
- Organize social events and welfare workshops, helping newcomers integrate into the community.

Blue Elephant — United Kingdom

Hospitality Staff Member — 2022 – 2023

- Delivered high-level customer service calmly under pressure in a fast-paced environment.
- Collaborated effectively with floor and kitchen teams to maintain smooth service flow.

Education

Bangor University — United Kingdom

Business Management — 2022

Khilgaon Government College — Dhaka, Bangladesh

Science Background — 2020
